

Summer Camps at Misty River

HI CAMPERS!

On the first morning, the meeting place will be the big white tent which is “Camp HQ.” It is to the side of the second barn just behind the feed silo. Here you will meet your coaches, your councilors and your fellow campees and you will be placed in your ride group for the week. If you do not have a helmet you will be given one for the duration of the week. We stick a name tag on the front of it so you can identify it, and we can identify you! On the first morning we start with a safety lecture and demo and a tour of the barns. We run a points system for effort, skills acquired, turnout of horse and rider, willingness to help and team spirit. There are prizes to be won!

You will need to bring with you:

A packed lunch, no glass bottles or cans please. Plenty of bottled water.

A spare set of clothes

Swim togs, towel (swimming suit)

Sun cream and hat, mosquito/fly repellent

Non riding clothes to change into, especially if hot

Horse Grooming kit, if you have one

Riding helmet and boots, if you have them

Pair wellies (rubber boots) or trainers/runners/shoes that you do not mind getting wrecked if it is muddy

Notebook and pencils

All the above may be brought at the beginning of the week and remain here. Please ensure your name is on all items.

We are all looking forward to a great week of fun and adventure here at the Misty River Summer Camp.

Sarah, John and all of the 2010 Camp Crew.
